

## Advanced Fireball

Fireball is a new, innovative way to keep your life active and very social! New players, players coming back into the game, senior players, and the most FUN players, are the focus of this light instructional/play league. A slightly slower ball, decompression orange ball, or the green ball (the "Fireball") are used to play doubles in a very social game.

This instructional/play program will cover basic strokes and general positioning. Whether you just graduated from the Instant Rally, Beginner Fireball class, or are just getting back into the game, this light instructional/play program is for you!

We will provide one hour of instruction during the week, and a match play evening,\* all for a special reduced price! If you bring friend that's never played before, (that signs up for the whole 3 week session), you will receive a 10% discount!
