

Join us in celebrating 50 Years of service in Fauquier County and come in to see our renovations!

From tennis and racquetball to fitness, swim, and the ever-popular pickleball, we've aced it all thanks to our fantastic community! We invite you to join the celebration because we couldn't have done it without you!

About Us

Our mission has always been simple: to enrich the lives of our members and community through the lifetime sport of tennis, staying active through fitness, making memories with summer swim, all while fostering friendships that last just as long.
